

# LET'S TALK MARKETING

# WITH NDUB

## Nathan Webster

Founder & CEO

Nathan is a marketing consultant and college professor with over **20 years of experience** in management and nonprofit entrepreneurship. He loves to be a community builder who chooses to roll up his sleeves and get the job done. Nathan is a humble thought leader and visionary with **a heart for serving others**. He has the breadth and depth of experience needed to quickly understand any business.

*"Back in 2016, I created a podcast focused on raising awareness and build action for my nonprofit. After several years of running my marketing agency and being an adjunct professor for my local college, I realized my heart was no longer there. I've grown and evolved to another level"*

## Let's Talk Marketing

Is a podcast hosted by a seasoned marketing consultant and business development expert. The podcast offers **practical advice**, strategies, and **tips to help businesses** of all sizes improve their marketing efforts and achieve their goals.

From developing a marketing plan to executing effective campaigns, it covers a wide range of topics to help businesses **stay competitive** in today's ever-changing market.

Listen to the podcasts to get expert insights on how to build, create, expand, scale, and sustain your business through effective marketing and business development strategies

**Love Nathan's Energy!**

Nathan's infectious energy along with his talented guests make this such a fun marketing podcast to listen to. You'll find actionable advice and tangible tips that are relative to any stage of your career. It's a great source of inspo and insight into the world of marketing. Thanks so much for putting out such a stellar show Nathan – keep up the great work!

Mike Bomar

**A Great Podcast for Social Entrepreneurs and Leaders**

Nathan's positive energy, solid advice, and friendly spirit is complimented with top speakers in the Social Entrepreneurship field. Nathan presents a down to earth conversation on the struggles and triumphs that non-profits and social good corporations face on a daily basis. I use this podcast to keep my mind sharp as I work to grow my community and my organization. Keep it up Nathan!

Overflow Your Possibility

**this guy is the real deal!**

I love this podcast. Nathan shares the reality of business and leading with a mission. He not only shares from his own positive experience and knowledge but shares some of his failures. I would recommend this to any entrepreneur who wants to make a positive impact and also build a successful business! Semper Fi Nathan!

Nature's Authority

**Thoroughly satisfied!**

Nathan Webster is easy to listen to as he provides a powerful professional oriented punch! I find his action plans to be motivational and clearly outlined!

The KraiziOne

**Always Mr. Positive**

Nathan has a gift of seeing everything from the positive side and it shows. He is authentic in the way he uses the lessons he's learned through his own struggles to encourage each of us in our entrepreneurial journeys.

Each episode is rich with advice to be gleaned. Whether it applies to you directly at that moment or not, you will enjoy his uplifting way of pushing you to the next level.

Chapin Cole

**A wide variety of insights about social entrepreneurship**

Nathan's positivity and energy is infectious through the mic. I'm lucky to be a regular guest and always appreciate his, and his other guests, perspectives on social entrepreneurship and nonprofit issues.
